<p><b>Level of investment risk</b></p>	<p><b>High</b> Negative annual returns are expected in 4 to less than 6 out of every 20 years. The higher the expected return target, the more often you would expect a year of negative returns.</p>																																												
<p><b>Statement of fees and costs</b></p>	<p><b>\$590 per year<sup>1</sup></b> Fees and costs for a member with a \$50,000 balance.</p>																																												

<sup>1</sup> Additional fees may apply. A buy-sell spread is incurred (as applicable) when you purchase or redeem units in a managed investment (at the time of a switch or when you move money in or out of your account). The buy-sell spread can change from time to time and is in addition to investment fees and costs, Transaction costs and administration costs paid from the reserve (as applicable). For more information, refer to the IOOF general reference guide available online.

## Glossary

### Return

The return for IOOF MySuper has been calculated in accordance with APRA reporting requirements. The return is after investment manager fees, IOOF MySuper fees and superannuation taxes. Fees include an account keeping fee of \$90 pa and an administration fee of 0.35%, and are based on a \$50,000 account balance. Note, the Account Keeping Fee for MySuper changed from \$117 pa to \$90 pa on 14 November 2022.

### Return target

The return target for IOOF MySuper has been calculated in accordance with APRA reporting requirements. Note, from 19 August 2024, the IOOF MySuper return target changed from 3.0% pa to 3.5% pa net of all fees and taxes.

### Comparison between return target and return (moving average)

Average return targets and average returns are used to show a longer term comparison so that fluctuations in returns earned each year are smoothed out. They are calculated for up to 10 years if returns are available.

### Fees and other costs

Fees and costs have been calculated in accordance with requirements that apply to MySuper and are detailed below:

Example – MySuper strategy		Balance of \$50,000
<b>Administration fees and costs</b>	Administration Fee: (0.35% x \$50,000) Account Keeping Fee: \$90 Administration costs paid from reserve (\$50,000 x 0.03%)	For every \$50,000 you have in the superannuation product, you will be charged or have deducted from your investment \$190.00 in administration fees and costs, plus \$90 regardless of your balance.
PLUS Investment fees and costs	0.55%	And, you will be charged or have deducted from your investment \$275.00 in investment fees and costs.
PLUS Transaction costs	0.07%	And, you will be charged or have deducted from your investment \$35.00 in transaction costs.
EQUALS Cost of product		If your balance was \$50,000 at the beginning of the year, then for that year you will be charged fees and costs of \$590.00 for the superannuation product.

Additional fees may apply. A buy-sell spread is incurred (as applicable) when you purchase or redeem units in a managed investment (at the time of a switch or when you move money in or out of your account). The buy-sell spread can change from time to time and is in addition to investment fees and costs and transaction costs. For more information, refer to the IOOF general reference guide available online.
